## SEASIDE HEIGHTS

### Seaside's Get-Acquainted Party Brings Out Parents, Teachers

By SUE BURK  
FR 5-4519

The Parent-Teachers Assn. of Seaside Elementary held its yearly get-acquainted breakfast on Monday, Sept. 27, at the 5320 Sharynne Lane address of Mrs. Freda Steinwachs. Gathering in the beautifully landscaped back yard were well over 100 guests for donuts and coffee and chatter about the day's events. The several tables were constantly filled throughout the day with those wonderful people so interested in their community, neighbors, and school. Looks as if this year will really be a successful one.

Mr. and Mrs. Jim McClune and family, of Davis Way, spent this last weekend in China, Calif. with Jim's sister and family, Mr. and Mrs. A. E. Cash. Nice to be home again, huh, kids?

Well folks, we are losing another family from the Seaside Heights area. They are Mr. and Mrs. Richard Grierson and daughters Rosemary, Carolin Joy, and Priscilla, and son Richy, of Zakon Rd. The Griersons were one of the first settlers in Seaside Heights. In the five years they have lived here they have been known as a pretty swell couple. We surely hate to see them go, but are happy to know that they will not be so far away that we shan't see them once in a while. May the Griersons have every success in their new home. Best wishes to both Dick and Geri; come, see us, you guys.

The Girls Glee Club of Seaside Elementary School, under the direction of Mrs. Bridgeman, was off to a nice start at their first meeting last Thursday. The Glee Club meets every Tuesday, Wednesday, and Thursday. Later this year they hope that some of the parents will find the time to drop in on the classes to listen. The time to visit the class is in about another month, when the girls are really in the swing. Just now, Mrs. Bridgeman is busily organizing the group. Hope we see at least one good quartet this year.

The recreation program for Seaside will start Monday, Oct. 4, and will be from 3:30 to 5:30 p.m. Directors are Mrs. Kincaannon and Mr. Dollarhide, on all weekly schoy days. Get-acquainted group conferences for parents and their child's teacher will be held Oct.

5 and 6. Scheduled are—kindergarten and first from 7 to 8 p.m. Second, third, and fourth will meet at 7:30 and upper grades at 8 p.m. Notices will be sent to parents as to which day they are to be at the school.

Something new at Seaside School to stimulate good citizenship in the children is the flag-raising ceremony. Each class will take a turn in the cere-

mony by the week, by raising the flag in front of the administration building. Maybe a few oldies could take a lesson from the kids if they care to watch the ceremony and the pledge of allegiance.

Last Friday, the Seaside school held its first square dance in the auditorium. The admission is 50 cents per person. Mr. and Mrs. Floyd Holstin and family. The Holstins have

is slated for Oct. 8. Why don't you make your plans to be there to enjoy with the rest of us the good, healthful recreation?

Served a nice dinner Sunday, all topped off with chocolate cake and yummy taik chocolate frosting. But best of all and to make the dinner complete we entertained as guests Mr. and Mrs. Floyd Holstin and family. The Holstins have

bought a home in Palmdale and are ready to settle down to hard work. The whole family looks wonderful and wish to say hello to all their friends. So hello for Floyd and Merle.

Millinery classes started last Thursday at Greenwood School, located in Torrance. Anyone interested? Classes are from 1 to 4 p.m. each Thursday. If you wish more information about this, and would like to learn the art of making yourself a dandy bonnet, just dial FA 8-2272.

### Meadow Park School To Hold Open House

An open house and group conference will be held at Meadow Park School on Tuesday at 7:30 p.m. Principal Herbert Farris has announced.

Parents will have a chance to look at the newly completed school, and teachers will have programs for individual classrooms, he said.
